## American Jews Reflect on Why Israel Matters to Them

Edited by Rabbi Jeffrey K. Salkin

**Discover what Jewish people in America have to say about Israel—  
their voices have never mattered more than they do now.**

As anti-Israel sentiment spreads around the world—from Iranian President Mahmoud Ahmadinejad to former President Jimmy Carter—it has never been more important for American Jews to share their feelings and thoughts about Israel, and foster a connection to Israel in the next generation of Jewish and Christian adults.

This inspirational book features the insights of top scholars, business leaders, professionals, politicians, authors, artists, and community and religious leaders covering the entire denominational spectrum of Jewish life in America today—and offers an exciting glimpse into the history of Zionism in America with statements from Jews who saw the movement come to life. Presenting a diversity of views, it will encourage people of all ages and backgrounds to think about what Israel means to them and, in particular, help young adults jump start their own lasting, personal relationship with Israel.

*“A Dream of Zion is exactly that—filled with miracles and triumph, the joy of coming home, and at the same time, aspiration and hope, that Israel can become the land flowing with justice and righteousness. Sixty years of love can be found on page after page, a worthy testament to the vitality of the dream and of the reality.”*

—**David M. Elcott, PhD**, executive director, Israel Policy Forum

*“The shared ahavat Yisrael (love for the Land and the People of Israel) uniting the incredible diversity of voices in this important anthology redefines ‘Pro-Israel.’”*

—**Rabbi Arik W. Ascherman**, executive director, Rabbis for Human Rights

*“Rabbi Salkin and Jewish Lights did it again! Thank you for this inspiring gift for Israel’s 60th! A must for lovers and dreamers of Zion around the world ... and a great resource for anyone who explores a contemporary engagement with Israel.”*

—**Rabbi Uri Regev**, president, World Union for Progressive Judaism
